TO WHOM IT MAY CONCERN

This is to certify that **Western Services Pvt Ltd** have been in charge of providing catering services to the Zamzama Camp, Dadu from Jan 2001 – April 2001.

Since I have personally been enjoying the high quality of Western Services, it is appropriate for me to make comment.

The well-trained and experienced staff have at all times done their utmost to make the people staying in the Zamzama Camp as comfortable and pleasant as possible. The quality of the food as well the cleanliness of the facilities have at all times been of the highest standards.

I wish once again to reiterate my absolute and entire satisfaction with Western Services catering and can strongly and anytime recommend them to anybody requiring the services of a really professional catering company.
