**Satisfaction Letter**

This is to confirm that till date Kirthar Pakistan B.V., a subsidiary of Kuwait Foreign Petroleum Exploration Company K.S.C.C., is very satisfied with the services of Wester Global Services ( Pvt) Limited.

Since April 2019, they have been catering a scrumptious lunch at our office and following the Covid 19 pandemic they have been able to still provide hygienically served up boxed meals as per our prescribed menu.

This letter has been issued on the request of Wester Global Services ( Pvt) Limited.

Thank You
