TO WHOM IT MAY CONCERN

This is to certify that M/s Western Services (Pvt.) Ltd. having their Head Office in Islamabad-Pakistan, were awarded the Catering Services and Camp Management contract by M/s Marubeni Corporation in May 1998.

M/s Western Services have throughout provided Catering Services of a very high standard. Their Japanese, European and Pakistani Cuisine has always been well appreciated by all at Marubeni Corporation.

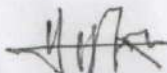

We have no hesitation in saying that M/s Western Services have maintained a very high standard of hygiene and a good awareness of safety requirements.

We are also happy to put on record that we are most satisfied with the Janitorial, Laundry and Room Services provided by Western Services and we have always found their staff & worker polite and dedicated to their jobs.

Prior to joining work at our camp all workers are properly examined and screened medically, to ensure none of them have any contagious or other disease. All workers of Western Services have been found medically fit and suitable for their jobs. They are examined periodically and given necessary vaccinations as a matter of routine.

All Western Services workers are generally neat and clean in their respective uniforms, and have shown much awareness for hygiene and proper sanitation requirements.
