## LETTER OF APPRECIATION

Rehman Production Facility is located in the Kirthar Range (Block No. 2667-7) about 99KMs north-west of Sehwan Sharif in the Sindh province of Pakistan. Catering contract was awarded to Western Global Services which is providing good quality services at site.

On behalf of PGNiG's management I appreciate the services provided by the Western Global Services at site.

Regards,

A handwritten signature in blue ink, appearing to read 'M. Yasin'.
